MPS CALLS FOR ADHERENCE TO MINIMUM FARM-GATE PRICES

Malawi Police Service (MPS) wishes to remind the public that government has set minimum farm-gate prices which must strictly be adhered to by all traders.

MPS will enforce and ensure that the set farm-gate prices are complied with. Police officers on patrols will be monitoring this across the country and anyone found purchasing farm produce at prices below those set by government will be arrested and prosecuted.

Further, MPS is urging all traders to use certified weighing scales recommended by the Malawi Bureau of Standards. Malawians are therefore encouraged to report any individual found contravening the set prices or using uncertified weighing scales to the police.
